Graham county will be well represented in the third house at Prescott in a short time. Several cattle men of western Graham will visit the capital during the session, Mr. Fritzgerald, Hon. P. J. Bolan and Geo. H. Stevens will represent the county-at large, while M. J. Egan, Clifton's gentlemanly attorney, will be present as the representative of this place. Judge Egan is one of the most resents the mining interests of this district, the CLARION commends him to the press gang at he deserves.

There is in the CLARION office a matured cotton plant, which was grown as an experiment by R. A. Allred, of Solomonville. The stalk reached a medium size, but is somewhat slender and presents the appearance of having been shaded in its growth. The bolls are not as numerous as could be desired. The "staple" is short, but the fibre is of good quality, and the opening of the bolls was perfect. In fact it cannot be gainsaid that the climate of Arizona is most propitious for a cotton crop, in so far as the opening and picking season is concerned. Should Mr. Allred attempt the raising of cotton again we would advise him to select a plat of ground which has been seriously ill for a month My capital was energy, boldness, is exposed to the sun at all times of the day, and top the plants Clifton, left for Los Angeles Mon- have got to the end of it, after shortly after the first blooms ap day morning. AN IMPORTANT DECISION.

Hon G. H. Hyatt, Probate Judge of Graham County, Holds that Under the Fdmunds Law a Plural Wife Cannot Share in the Distribution of the Estate of Her Husband.

In last week's CLARION we briefly referred to Judge Hyatt's action in setting aside a former decree Hon. P. J. Bolan and Sheriff entered in the Probate Court of Crawford are expected to arrive this county, in the matter of the estate of John M. Moody, Sr., deceased. Moody was in his lifetime a resident of Pima, in this county, and was the possessor of considerable real estate and other property. He died about a year The genial young Dr. Carroll, ago, and an administrator was usual course prescribed by law to settle up the estate, and on October 16th, 1884, a decree was entered in the Probate Court setting aside certain land and appurtenances thereto for the use of the alleged widow and children. On the 5th day of January of this year a petition was filed in court by an attorney representing an heir named Mary Wilkerson, a resident of Utah, who claims to te the daughter of Moody by his first wife Margaret. The petition states as grounds for setting aside said decree that the alleged widow and minor children are not the widow and minor children of said deceased, but that one Mary Wilkerson is the only surviving legitimate child, and heir at law of said deceased; and on the further ground that the decree set apart more land than the law allows, and is in violation of the Statutes.

On the hearing, the Court found the following facts:

First. That on the 16th day of October, on representations made to this Court that Elizabeth Moody | tioned for Speaker. Mr. Sias decree was made and entered as set forth in said petition.

year 1849, in Grimes county, State of Texas, married to one Margaret Anglin, and that thereafter, in the year 1856, and while the said Mar living and not divorced from him, the said John M. Moody, deceased, was married to the said Elizabeth Moody by the rites of the Mormon

Church, by one Brigham Young. Third. That on the 12th day of February, 1880, said John M. Moody and Margaret Moody nee Anglin were divorced by a decree of the District Court of the Third Judicial District of Utah Territory.

Fourth. That one Mary Wilker-son, now living in Utah Territory, is the daughter and legitimate issue of said John and Margaret Moody.

Whereupon the Court found as conclusions of law:

First. That the said Elizabeth Moody was not the wife of John M. Moody, deceased, and therefore is not his widow.
